

A Message from Dr. Robert Andrews, Headmaster

2020-2021 FCS Reopening Plan, July 20, 2020

Dear Patriot Family,

The [2020-2021 FCS Campus Reopening Plan](#) is now available on our website. Our administrative staff with the help of our Medical Advisory Board has published a document which includes a timeline, parent survey results, next steps, and our new school-wide procedures. We will be offering both an on-campus and remote experience. You will receive an email with the [Back to School Details](#) document on the first week of August with more detailed information about processes, procedures, and the [Educational Campus Selection Form](#) where you will indicate your selection of on-campus or online school.

FCS is preparing for on-campus school operations to resume on August 24, 2020. For families who elect not to return to campus, our teacher-led, online campus will closely resemble our on-site campus and will allow the students to receive instruction on a daily basis by following their class schedule compatible to one of an on-site student. For this reason, our tuition and fees will not be modified at this time. We have been and will continue working with families on an individual basis to help them overcome any financial hardships brought on by the COVID-19 pandemic.

Please become familiar with our [2020-2021 FCS Campus Reopening Plan](#). If you should have any questions or concerns, please feel free to contact me or your child's principal.
