

PARKING DECAL 2021-2022

Dear Parents,

Every student who wishes to drive to school must register their car with the dean's office each school year the student wishes to drive. If your student fails to register their car, they may face consequences ranging from a warning all the way up to suspension/loss of their driving privileges. Please follow the steps below to have your student's car registered with my office.

1. Pick up parking pack consisting of this letter, the rules for all student drivers on campus and a vehicle registration form. Packets can be obtained in the dean's office.
2. Fill out the vehicle registration form. Please note that by signing the form you are also stating that both parent and student have read the rules and will abide by them. The cost of the registration will be \$45.00.
3. Bring form and payment/proof of payment to the dean's office for a decal that will be placed on the window of your student's car and must be visible at all times. If you wish to make your payment online, please [click here](#). Please note registration is not complete until the dean's office has received the paperwork and issued a parking decal. If you have any questions, please feel free to contact me at ggulla@floridachristian.org.

Thank you,

Mr. George Gulla
Dean of Students / Director of Security
